**Chartered Machinery & Business Assets Valuer  
Certified Practising Valuer  
FRICS, LFAPI, FPINZ, FAMI, NCJV, CPM**

## QUALIFICATIONS

Rodney Hyman, over almost four decades has been one of the most prolific names in the asset management industry. A leading light in three industry bodies over 30 years, including Chairman of the Machinery and Business Assets Faculty of the Royal Institution of Chartered Surveyors and Divisional Senior Vice President of the NSW Division of The Australian Property Institute. He holds a range of qualifications as a valuer, auctioneer and marketer.

Rodney relishes his role as a guest lecturer at the University of Western Sydney on the broad and diverse topic of valuations. His diversity of expertise extends from being a member of the Law Council of Australia, to Fellow of the Australian Marketing Institute and a member of the Jewellery and Allied Trades Valuers Council, to name just a few. Also, Rod presently sits on the Australian Valuation Standards Board.

## EXPERTISE

Rodney has extensive experience in the many areas of plant and machinery including infrastructure, transport, extractive industries, forestry and hospitality and specializes in litigation support. While these are his specialist areas, Rodney has undertaken significant work in every conceivable area related to non-real property assets.

## BACKGROUND

Rodney started in the industry in 1970 having assumed the role of Executive Chairman in two major Australian practices. In 1999, Rodney established RHAS and today RHAS boasts an extensive range of blue chip clients, with the company represented throughout Australia and Asia, Europe and the America's.

## INTERESTS

Over the years, Rodney has conducted a variety of charity auctions for organizations such as Variety Club and local community public and private schools. He has a particular interest in the area of plant and machinery, hosting the 2002, 3<sup>rd</sup> International Conference on the Valuation of Plant, Machinery and Equipment in Sydney and again in London in 2007.
